**Disclosure Policy**
It is the policy of the Lewis Katz School of Medicine at Temple University, The Albert J. Finestone, M.D, Office of Continuing Medical Education that the speaker and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The Accreditation Council for Continuing Medical Education (ACCME) considers financial relationships to create actual conflicts of interest in CME when individuals have both a financial relationship with a commercial interest and the opportunity to affect the content of CME about the products or services of that commercial interest. The ACCME defines a commercial interest as “any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.” The ACCME does not consider providers of clinical service directly to patients to be commercial interests. The Lewis Katz School of Medicine at Temple University has established procedures in place that will identify and resolve all conflicts of interest prior to educational activity. Detailed disclosure will be made prior to the activity.
