Clerkships: Students spend the last 12 months rotating through 7 assigned medical disciplines and 2 elective rotations. These rotations take place at Temple University Hospital System locations. Students will be under the direct supervision of a physician or physician assistant, however there will be numerous

other health care providers that will interact with students including residents, interns, medical students, and nurses, among others. Students are expected to work the preceptor's work schedule which may include nights/weekends. The following is a list of clerkships:

• Clerkship Discipline:	Credits
○ Family Medicine I	5.0
○ Internal Medicine	5.0
○ Emergency Medicine	5.0
○ Obstetrics/Gynecology	5.0
○ General Surgery	5.0
○ Behavioral Medicine	5.0
○ Pediatrics	5.0
○ Electives I and II	5.0/5.0
• Scholarly Clinical Research II	1.0
