11th Annual Philadelphia Orthopaedic Trauma Symposium
JUNE 7-8, 2019

Now earn up to 13.25 AMA PRA Category 1 CME Credits

Earn credits towards your patient safety CME requirement

Sponsored by
Temple University
Lewis Katz School of Medicine

Course Co-Chairs:
Saqib Rehman MD, MBA • Jack Kazanjian, DO, FAOAO
LOCATION
Medical Education and Research Building
1st and 2nd Floors
Lewis Katz School of Medicine
at Temple University

TARGET AUDIENCE
This conference is aimed at practicing orthopaedic surgeons, residents, nurse practitioners, and physician assistants who are involved with management of orthopaedic trauma care.

EDUCATIONAL OBJECTIVES
At the conclusion of the conference, participants should be able to:
1. Summarize the current trends in fracture management.
2. Improve their skills in the management of periarticular fractures.
3. Recognize the controversies in fracture management.

ACCREDITATION STATEMENT
Lewis Katz School of Medicine at Temple University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide Continuing Medical Education for physicians.

CERTIFICATION STATEMENT
Lewis Katz School of Medicine at Temple University designates this live activity for a maximum of 13.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY
It is the policy of the Lewis Katz School of Medicine at Temple University, The Albert J. Finestone, M.D, Office of Continuing Medical Education that the speaker and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The Accreditation Council for Continuing Medical Education (ACCME) considers financial relationships to create actual conflicts of interest in CME when individuals have both a financial relationship with a commercial interest and the opportunity to affect the content of CME about the products or services of that commercial interest. The ACCME defines a commercial interest as “any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.” The ACCME does not consider providers of clinical service directly to patients to be commercial interests. The Lewis Katz School of Medicine at Temple University has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to the activity.

REGISTRATION FEES
$200.00 Physicians / $100.00 Residents, Fellows, Nurse Practitioners, and Physician Assistants

CALL FOR ABSTRACTS
This year’s meeting will also include research poster presentations. Residents and medical students are invited to submit one-page abstracts for consideration. The topic should be pertinent to the care of the orthopaedic trauma or fracture patient. Abstracts should be sent by May 17, 2019 to saqib.rehman@tuhs.temple.edu. Additional information is available at medicine.temple.edu/cme.

Hahnemann University Hospital

JOSEPH THODER, M.D.
John Lachman Professor of Orthopaedic Surgery
Department of Orthopaedic Surgery
LKSOM at Temple University

KATHARINE CRINER WOOZLEY, M.D.
Assistant Professor of Orthopaedic Surgery
Hand Surgery, Einstein Healthcare Network
**Friday**

7:30-7:55 Registration and breakfast

7:55-8:00 Introduction

8:00-9:00 **Session 1:** Controversies in timing of surgical intervention – current evidence

9:00-10:00 **Session 2:** Tips and tricks for lower extremity fracture surgery

10:00-10:20 Break, visit exhibits

10:20-10:50 Guest Professor Lecture: Ring Fixation in Trauma - Why and How.
J. Spence Reid, M.D.

10:50-11:50 Lab 1: ORIF of clavicle fractures

11:50-12:00 Break, visit exhibits

12:00-1:00 Lunch breakout sessions

  Breakout 1: Clavicle fracture cases
  Breakout 2: Tibia and patella fracture cases
  Breakout 3: Hand and wrist fracture cases
  Breakout 4: Subtrochanteric femur fracture cases

1:00-1:45 **Session 3:** Challenges with ankle fracture management

1:45-2:30 **Session 4:** Femoral neck fractures: contemporary management strategies

2:30-2:45 Break

2:45-3:45 Lab 2: ORIF tibia plateau fracture using aiming arm and variable angled locking

3:45-4:15 Resident paper presentations

4:15-5:00 Guest Professor Lecture: Thinking Outside of the Box - Novel Techniques for the Treatment of Complex Injuries. Marcus Sciadini, M.D.
Saturday

7:00-7:25  Registration and breakfast

7:25-7:30  Introduction

7:30-8:15  **Session 5:** Open fracture management in 2019

8:15-9:00  **Session 6:** Periprosthetic femur fracture management

9:00-9:30  Guest Professor Lecture: Improving Limb Salvage Outcomes - Is a Successful “Salvage” Good Enough? Michael Bosse, M.D.

9:30-9:45  Break, visit exhibits

9:45-10:30  Lab 3: ORIF Periprosthetic proximal femur fracture

10:30-11:00  **Session 7:** Management of pathological fractures

11:00-11:30  **Session 8:** Distal radius fracture cases gone wrong – how to avoid and salvage problems

11:30-11:45  Break

11:45-12:15  **Session 9:** Terrible triads and other elbow problems

12:15-1:00  **Session 10:** Tips and tricks for upper extremity fracture surgery

LEWIS KATZ SCHOOL OF MEDICINE
RECOMMENDED HOTEL
The Westin Philadelphia
99 South 17th Street, Philadelphia, PA 19103
215-563-1600
The Westin Philadelphia is connected by a walkway to the Liberty Place shopping mall, with its 70 shops offering trendy outfits and various goodies for shoppers. Thus, the hotel is truly the most convenient place to do shopping in Philadelphia. Rooms in this 4-star hotel are also quite comfortable, with signature Westin Heavenly Beds gracing each accommodation type. Guests can make use of the high-speed internet access, cable TV with premium cable channels, and minibars. Guests can also request a refrigerator in their room.

DIRECTIONS TO THE HEALTH SCIENCE CAMPUS
From West via PA Turnpike or Schuylkill Expressway
Take Turnpike to Exit 326 (Philadelphia/Valley Forge) then follow I-76 (Schuylkill Expressway) approximately 10 miles to Route 1 North (Roosevelt Boulevard). Take Route 1 North 2 miles to Broad Street exit. Follow exit ramp 2 blocks to Broad Street and turn right (Route 611 South). Proceed 3/4 mile to Health Sciences Center Campus. Turn left at Tioga Street to visitors' parking garage.

From Northeast via PA Turnpike or Roosevelt Boulevard
From PA Turnpike take Exit 351. Follow Route 1 South (Roosevelt Boulevard) approximately 10 miles (stay in right hand lanes) to Broad Street exit. Follow exit 1/2 mile to Broad Street and turn left (Route 611 South). Continue for approximately 3/4 mile to Health Sciences Center Campus. Turn left at Tioga Street to visitors' parking garage.

From North via I-95
Take Route 95 South to Cottman Avenue exit (Route 73 West). At bottom of ramp, continue through the intersection and follow signs for Route 73 West; this puts you on Cottman Avenue (Route 73 West). Follow Cottman Avenue for 2 miles to Roosevelt Boulevard (Route 1 South). Turn left on Route 1 South and go approximately 5 miles (stay in right hand lanes) to Broad Street exit. Follow exit 1/2 mile to Broad Street (Route 611 South) and turn left. Continue for approximately 3/4 mile to Health Sciences Center Campus. Turn left at Tioga Street to visitors' parking garage.

From South via I-95
Take Exit 22 (Route 676/Center City) and merge right onto Callowhill Street. Stay in right hand lanes and follow Callowhill Street for 1 mile to Broad Street. Turn right on Broad Street and go approximately 4 miles (32 blocks) to Health Sciences Center Campus. Turn right at Tioga Street to visitors' parking garage.

From NJ Turnpike
Take NJ Turnpike to Exit 6; follow signs for PA Turnpike. Once on PA Turnpike, follow directions given "From Northeast."

From Cherry Hill, NJ area
Take Route 70 or Route 38 West to overpass for Route 30 West (Admiral Wilson Boulevard). Take Admiral Wilson Boulevard approximately 2 miles to Benjamin Franklin Bridge. Once over the bridge, follow signs for "Vine Street/Local Traffic." Stay in "local traffic" lanes approximately 8/10 miles (8 blocks) to Broad Street (14th Street). Turn right on Broad Street and go approximately 4 miles (32 blocks) to Health Sciences Center Campus. Turn right at Tioga Street to visitors' parking garage.

From NJ Shore Points
Take Atlantic City Expressway to Route 42 North, go approximately 10 miles to Route 676. Take Route 676 approximately 3.5 miles to Benjamin Franklin Bridge. Once across the bridge, follow directions "From Cherry Hill, NJ area."
FEES
$200.00 - Physicians / $100.00 - Residents, Fellows, Nurse Practitioners, and Physician Assistants
The registration fee includes conference material, continental breakfast, lunch, and breaks.
Deadline to register is Friday, May 31, 2019. After this date, please contact the office for space availability.

RETURN TO
Arnold I. Meyer, Ed.D., FACEHP
