Program Description
This one day continuing medical education course is designed to provide gastroenterologists, oncologists, radiation-oncologists, radiologists, surgeons, hospitalists, internists, family medicine physicians, physician’s assistants, nurses, and nurse practitioners an opportunity to learn about and discuss advances in diagnosis and treatment of patients with primary liver cancer. This course will provide sessions that will focus on the etiologies, diagnosis, and different modalities of treatment of liver cancer.

Educational Objectives
At the conclusion of this program, participants should be able to:
• Describe the incidence, natural history, and diagnosis of HCC.
• Discuss the different radiological modalities used to diagnose and workup HCC.
• Explain to patients issues related to NAFLD/NASH as a cause of HCC in the absence of liver cirrhosis.
• Review the current and upcoming HBV and HCV therapies and their associated HCC risk reduction.
• Summarize the appropriate surgical, locoregional therapies, and chemotherapeutic management of HCC.

Intended Audience
Gastroenterologists, oncologists, radiation-oncologists, radiologists, surgeons, hospitalists, internists, family medicine physicians, physician’s assistants, nurses, and nurse practitioners.

Accreditation Statement
Lewis Katz School of Medicine at Temple University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Certification Statement
Lewis Katz School of Medicine at Temple University designates this live activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Policy
It is the policy of the Lewis Katz School of Medicine at Temple University, The Albert J. Finestone, M.D., Office of Continuing Medical Education that the speaker and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The Accreditation Council for Continuing Medical Education (ACME) considers financial relationships to create actual conflicts of interest when individuals have both a financial relationship with a commercial interest and the opportunity to affect the content of CME about the products or services of that commercial interest. The ACME defines a commercial interest as “any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.” The ACME does not consider providers of clinical service directly to patients to be commercial interests. The Lewis Katz School of Medicine at Temple University has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to the activity.

AGENDA

HEPATOCELULAR CARCINOMA: FROM PREVENTION TO CURE

7:30 – 8:00 AM  Registration and Continental Breakfast
8:00 – 9:20 AM  HCC Introductory Session
8:00 – 8:05 AM  Welcome
8:05 – 8:35 AM  HCC: A Hepatologist’s Perspective
Eyad Alahbakhsh, M.D.
8:35 – 9:05 AM  HCC: Imaging and Staging
Joseph Panaro, M.D.
9:05 – 9:20 AM  Panel Questions, Community Cases: Open Forum
Moderator: Curtis Miyaumoto, M.D.
9:20 – 9:40 AM  Break and Visit the Exhibits
9:40 – 11:30 AM  Prevention and Management of Etiologies
Marc Ghany, M.D., M.H.S.
10:10 – 11:10 AM  HCC: Current Care and its Impact on HCC
Lee Peng, M.D.
11:10 – 11:40 AM  Therapeutic ‘Viral’ Vaccines: A New Method of Tackling HCC?
Jeffrey Jacobsen, M.D.
11:40 AM – 12:00 PM  Panel Questions, Community Cases: Open Forum
Moderator: Crystal Denlinger, M.D.
12:00 – 1:00 PM  Lunch and Visit the Exhibits
