Internal Medicine Clinical Review Educational Objectives:

Following completion of this program, participants should be able to:

- Diagnose and treat common internal medicine problems
- Interpret traditional modes of diagnosis and management more effectively
- Utilize information to commonly asked questions in practice
- Increase proficiency and maintain competence by updating cognitive understanding of Internal Medicine
- Improve psychomotor skills utilized in office practice
- Feel better prepared to take care of your patients
- Evaluate controversial issues in Internal Medicine

Features

- Earn all of your Continuing Medical Education credits in one week
- Earn up to 56 hours of Continuing Medical Education credits
- Cost effective – Modest tuition and living expenses. Registration fee includes workshops, syllabus, tote bag, five continental breakfasts, five lunches and four dinners
- Curriculum based on needs of our targeted audience
- Outstanding faculty
- Pre- and Post-testing with computerized analysis of performance (for your own use - no individual record kept)
- Evidence-based information free of commercial bias
- Complete printed syllabus for use during course and for reference following course. Electronic syllabus will be available online for download during and after course.
- Workshops conducted Sunday, Monday and Tuesday evenings and Wednesday and Friday afternoons
- **20% discount** for each person when 3 or more register from a group or organization or when a past participant brings a new participant (someone who has never attended our Internal Medicine Clinical Review). You must register at the same time to get these discounts (no exceptions).

(You must pre-register and be assigned to the workshop on a first-come, first-served basis. We cannot guarantee you will be assigned to the seminar or workshop of your choice. Early registration is encouraged. If the minimum number of registrants is not met, it may be cancelled.)

Target Audience:

Internists, Family Practitioners, General Practitioners, Physician Assistants, Nurse Practitioners, and Nurses.

Cancellation Policy:

Refunds for withdrawal after deduction of a \$100.00 fee made only upon written request prior to September 7, 2015 for Fall Course. No refunds after September 7, 2015 for Fall Course. Temple University School of Medicine reserves the right to cancel the program and return all course monies without further obligation if sufficient attendance is not secured.

Conference Site and Hotel Information:

The Lancaster Host Resort and Conference Center is the host site for the Internal Medicine Review Course. All plenary sessions and workshops are held there. It is a completely self-contained convention complex with 330 well-appointed and comfortable guest rooms on 225 beautiful acres in legendary Pennsylvania Dutch Country. All recreational activities are available on-site, including indoor pool and outdoor tennis courts. You may register with the Host directly, without waiting for your conference registration to be verified. Kindly use the registration form provided in this brochure. We strongly urge you to reserve your room(s) early as this facility fills quickly. Rates for Spring and Fall are \$99.00 single or double plus 11% tax; \$11.00 for each additional person in room over two people (age 18 and over); if under 18 years of age there will be no additional charge. Children under 13 eat for free. Register today by using the enclosed hotel reservation form or give our special code IM#4 when calling the hotel at 717-299-5500.
