

Skills Lab Curriculum 2020-2021

<b>PGY level</b>	<b>Lab Topic</b>
<b>1</b>	Central Line Training
	Intern Crash Course
	End of Life communication
	Ultrasound training course
	Basic technical skills
	Stress management training
	Informed Consent
	Trauma procedural skills on aminate model
	Introduction to the Fundamentals of Surgery Curriculum
	SICU team training

<b>PGY level</b>	<b>Lab Topic</b>
<b>2</b>	Critical Care procedural skills
	Ultrasound training course
	Fundamental of Laparoscopic Surgery training
	Fundamentals of Endoscopic Surgery training
	Bowel anastomosis
	Introduction to Robotic Surgery
	Vascular Anastamosis
	Basic Skills Review

<b>PGY level</b>	<b>Lab Topic</b>
<b>3</b>	Fundamental of Laparoscopic Surgery training
	Fundamentals of Endoscopic Surgery training
	Ultrasound training course
	Vascular anastomosis
	Bowel anastomosis
	Trauma exposures in cadaveric model
	Trauma Bay team training
	Robotic Simulation

<b>PGY level</b>	<b>Lab Topic</b>
<b>4</b>	Fundamentals of Endoscopic Surgery training
	Ultrasound training course
	Trauma exposures in cadaveric model
	Robotic Simulation

<b>PGY level</b>	<b>Lab Topic</b>
<b>5</b>	Ultrasound training course
	Trauma exposures in cadaveric model
	Robotic Simulation
