

## Department of Biomedical Education and Data Science

- » Gross Anatomy/Embryology
- » Histology
- » Neuroscience
- » Physiology
- » Microbiology and Immunology
- » Pharmacology
- » Pathology
- » Biochemistry
- » Genetics
- » Center for Biostatistics and Epidemiology

## Department of Neural Sciences

- » Center for Substance Abuse Research
- » Alzheimer's Center at Temple
- » Shriners Pediatric Research Center

## Department of Cardiovascular Sciences

- » Center for Translational Medicine
- » Cardiovascular Research Center
- » Lemole Center for Integrated Lymphatics Research
- » Center for Metabolic Disease Research
- » Sol Sherry Thrombosis Research Center

## Department of Urban Health and Population Science

- » Center for Urban Bioethics
- » Center for Asian Health
- » The Hope Center

## Department of Pathology and Laboratory Medicine

- » Clinical and Basic Science

## Department of Cancer and Cellular Biology

- » Fox Chase Cancer Center (Adjunct Faculty)
- » Fels Institute

## Department of Microbiology, Immunology and Inflammation

- » Center for Microbiology and Immunology
- » Center for Neurovirology and Gene Editing
- » Center for Inflammation and Lung Research

## Department of Medical Genetics and Molecular Biochemistry
