

The Fels Institute Biomedical Research Undergrad (FELS-BR-U) Program

Call for applications and fillable Application sheet:

About the Program

The Fels Biomedical Research Undergrad (FELS-BR-U) Program is conceived to provide opportunities in research for individuals from disadvantaged backgrounds with an interest in pursuing a career in the biomedical research. Individuals from these backgrounds majoring in Biochemistry, Biology, Genomic Medicine, Neuroscience, Bioengineering, and chemistry are encouraged to apply

The FELS-BR-U Program is a paid, year-round research-intensive program that includes (1) research training under the supervision of pre-selected faculty mentors; and (2) programming related to personal and career development. **The goal is for students to develop the research and professional skills necessary to be competitive for research fellowship/programs, graduate school and the research workforce.**

Application

Eligible* undergraduate students are encouraged to apply by e-mailing a complete application to the Program Directors at Fels-BR-U@temple.edu

Applicants are asked to submit a complete **Application Information Sheet** along with a Resume and a current copy of their transcript.

Compensation Information:

Part-time during the Fall semester (up to \$1920, for 16 weeks, hourly rate is 10\$/h)#

Part-time during the Spring semester (up to \$1920, for 16 weeks, hourly rate is 10\$/h)#

Full-time training in the Summer (up to \$6000 for 3 months, ~15 weeks, hourly rate is 10\$/h)

***Eligibility:** Individuals from disadvantaged backgrounds, defined as those who meet *one or more* of the following criteria:

- i. Grew up in one of the following areas:
 1. a U.S. rural area, as designated by the Health Resources and Services Administration (HRSA) Rural Health Grants Eligibility Analyzer <https://data.hrsa.gov/tools/rural-health>

OR

2. a HPSA Low-Income ZIPS Professional Shortage Areas (qualifying zipcodes are included in the file at <https://www.qhpcertification.cms.gov/s/LowIncomeandHPSAZipCodeListingPY2020.xlsx?v=1>)

Only one of the two **above** possibilities can be used as a criterion for the disadvantaged background definition.

- ii. Were or currently are eligible for Federal Pell grants (Definition: <https://www2.ed.gov/programs/fpg/eligibility.html>)
- iii. Have/had no parents or legal guardians who completed a bachelor's degree. See <https://nces.ed.gov/pubs2018/2018009.pdf>
- iv. Were or currently are homeless, as defined by the McKinney-Vento Homeless Assistance Act. Definition: <https://nche.ed.gov/mckinney-vento/>

- v. Were or currently are in the foster care system, as defined by the Administration for Children and Families (Definition: <https://acf.gov/cb/focus-areas/foster-care>)
- vi. Were eligible for the Federal Free and Reduced Lunch Program for two or more years. Definition: <https://www.fns.usda.gov/schoolmeals/income-eligibility-guidelines>
- vii. Received support from the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) as a parent or child (Definition: <https://www.fns.usda.gov/wic/wic-eligibility-requirements>)

More information about the program can be found at: <https://medicine.temple.edu/departments-centers/research-centers/fels-cancer-institute-personalized-medicine/urm-undergrad-program>
